

From The Bedford Record Review:

“Haircut for a Cure” Raises Nearly \$5,000 to Support American Cancer Society Program at Northern Westchester Hospital

MT. KISCO, N.Y. (June 18, 2008) — The professional stylists at Billy’s of Mt. Kisco recently donated their time for the second annual “Haircut for a Cure,” a unique fund-raising event to help the American Cancer Society (ACS) and its Patient Navigation Program at Northern Westchester Hospital (NWH). More than 50 Westchester residents spent the day beautifying for a cause, and together they raised nearly \$5,000 to provide cancer patients and their families with access to the critical services and resources available to meet their special needs. Spinelli’s Restaurant and Passage to India generously donated lunch for the cause.

Event participants included (from left) Ken Marsolais of Katonah; event organizer Denise Kness of Yorktown; Scarlett De Bease of Waccabuc, an image consultant who donated makeup services for the day; Maria Maria Mrnacaj, stylist at Billy’s, and Billy Galasso, owner of Billy’s of Mt. Kisco.

“Haircut for a Cure” is part of an “Evening of Hope” to be held on Thursday, September 25 at Whippoorwill Club in Armonk.

For more information about the American Cancer Society and its programs, visit www.cancer.org or call 1-800-ACS-2345.
